6,000 Works of Art Spanning 2,000 Years of Cultural History

The beautiful architecture of the Mobile Museum of Art provides an exquisite setting for blockbuster exhibitions and the museum's permanent collection of more than 6,000 works of art. The collection is strong in American art of the 1930s-1940s, works by southern artists, art of the French Barbizon School, contemporary crafts and late 19th century American art. The museum also has holdings in Asian, African and European works.

You'll want to make time during your museum tour to visit Collage Gift Shop!

The museum's gift shop is a popular place for purchasing unique gifts! Browse the store for such art-inspired items as: books, pottery and glass, postcards, jewelry, greeting cards and much more!

DIRECTIONS

From I-65, take the Springhill Avenue Exit (Exit 5) and turn left at the end of the ramp onto Springhill Avenue. Go approximately 1 1/2 miles and turn left onto John D. New Street (traffic light). Take an immediate right onto Museum Drive. The museum is the first building on the right.
