

Summer Art Camp Handbook

Welcome

Thank you for your interest in Summer Art Camp at Mobile Museum of Art! Please spend some time carefully reading our camp policies. If you have further questions or concerns, call Angie King at 251-208-5205 or email her at Angela.King@MobileMuseumofArt.com.

Location

Summer Art Camp is held in the Education Wing at Mobile Museum of Art, 4850 Museum Drive, in Langan Park. You will enter through the Museum School entrance with the colorful columns on the side of the Museum. These doors are locked at all times; a Security Guard will be on post to let you in.

Content

Our camp offers a wide variety of art classes to choose from including painting, ceramics, sculpture and drawing. If you have further questions about the classes offered, call Angie King at 251-208-5205 or email her at Angela.King@MobileMuseumofArt.com.

Ages

Summer Art Camp classes are divided into three age groups: 5 - 7 year olds, 8 - 11 year olds, and children who are ages 12 or older. Students **must** have reached their 4th birthday before camp begins.

Camp Readiness

Please make sure your camper is ready for camp by asking yourself the following:

- Is my child able to follow age-appropriate verbal instructions?
- Will my child generally be able to follow simple directions and follow rules in an instructional setting?
- Is my child able to tend to personal needs, such as toileting and eating?

Summer Art Camp rules are set to ensure the safety of all campers, and all children must be able to follow these rules. While we welcome the opportunity to accommodate students with special needs, we reserve the right to make decisions on whether or not we can reasonably accommodate any student's needs.

Summer Art Camp Faculty

The faculty of Summer Art Camp has been carefully selected for instruction as to grade level and area of expertise. All faculty members are working artists themselves or are certified art educators, most with years of teaching experience. Our classes are small to ensure quality instruction for each child; please do not ask to add an additional student to a full class.

Volunteering at The Museum School

Summer Art Camp Counselors consist of volunteers carefully selected from high schools and colleges in the area, and they receive service hours for their work. Counselors must be at least 15 years old and willing to work with teachers and children in an art classroom setting.

For more information about volunteering for Art Camp or any other program at MMofA, please contact Angie King at 251-208-5205 or email her at Angela.King@MobileMuseumofArt.com.

Camp Hours, Drop-off, and Pick-up

Parents should come in with their child(ren) and initial on the sign-in sheet. When picking up, parents should come in and initial on the sign-out sheet. The teacher will keep each child in the classroom until a parent goes in and gets him/her. You may bring your child as early as 8:45 am; campers in the 1 – 4 pm classes must be picked up as close to 4 pm as possible. Please be aware that if you pick up your child early or run late for class, he or she may miss projects that cannot be made up.

Students are supervised at all times during lunch and snack break.

Health and Permission Slip

All students must have a health and permission form on file at the Museum. It will be included in online registration. There is space to note any pertinent information that applies to your child such as allergies or medical conditions as well as places to list all those authorized to pick up your child.

What to Wear

When choosing your child's outfit, please keep in mind that he or she will be using art materials that might splatter or stain. Shorts and T-shirts are acceptable attire. Please avoid shoes with wheels.

General Rules

- Please help us enforce our 'no cell phone use during class' policy.
- Leave all blankets and toys at home unless asked to bring an item for an art activity.
- Walk and use quiet voices in the hallways and in the classroom.
- Remember that creating art requires prep and clean up; campers will be expected to be a part of this process.
- All ceramics must be picked up at a later date unless specified otherwise.

These rules and guidelines have been developed for the security and safety of all campers and for optimal learning experiences. Please help us, the staff and faculty of Mobile Museum of Art, provide a fun and inspirational environment for your children by supporting us in our efforts to maintain the policies outlined in this handbook.
